St Patrick's Primary School

KS1 ICT Acceptable Use Policy

We strive for excellence within a caring and diverse community, nurturing the Catholic faith, respecting each other, living, working and growing together as part of God's family.

I promise:

- ✓ I will treat all school equipment with care and respect
- ✓ I will only open, edit and delete my own files
- ✓ I will only use the Internet when supervised by an adult
- ✓ I will only click on icons and links when I am told to by the teacher and I know they are safe
- ✓ If I see something I don't like on a screen, I will always tell an adult
- ✓ I understand that these rules are to keep me safe
- ✓ Most importantly I will remember that if I am unsure about anything, I should ask or tell a teacher

I have read and understood this policy and agree to follow it.
